## Spiritual Support from the Anglican Church of India and the Traditional Anglican Communion on Terror Attack in Boston USA

**God be with all those who are sufferers**

In this crucial time of suffering when devil planned and got little success in his evil doing. We strongly condemn it.

We pray to God Almighty to keep all of you in his arms and give you strength to bear in this time of sorrow, anger, grief and when life is consumed by anguish. We have hope in our Lord and we believe it. He is always with all those who are His.

May God give you strength to bear, have faith in God Almighty, He does the best. Those who are injured may recover soon and those who departed from this world, God may give them rest in His House, and console their dear and near ones.

*“Man’s life is like an empty breath, here today and gone tomorrow”*

**For what glory is it, when ye be buffeted for your faults. Ye shall take it patiently?, but if, when ye do well, and suffer for it, ye take it patiently, this is acceptable with God.” ( 1Peter 2:20)**

We must restore courage to face such anti-social events and pray for each other. You all are in my prayer and spiritual contribution at this time. We shall offer special prayer for the consecration day for Bishop’s elects.

With all the blessings through Jesus Christ our Lord

Archbishop Samuel P Prakash
